Aug 29 Sat		CYC Fleet Racing
Sept 5 Sat	Labor Day	Open Fleet Racing

Each race will be preceded by harbor skippers meeting.

AUSTIN CUP SERIES TROPHY

Castine Class boats owned by CYC members and sailed with a CYC member on board are eligible to compete for the AUSTIN CUP. The AUSTIN CUP will be awarded to the owner of the CYC boat with the lowest scoring total in their best five (5) finishes of the season. In order to help all CYC sailors qualify for the minimum of (5) races, the Race Committee will attempt to run two (2) short course races on at least two of the CYC Fleet Racing days.

This will create a potential total of ten (10) races during the season.

The RACE COMMITTEE will keep the series results updated and posted in the Clubhouse. 1st place finishes are awarded $\frac{3}{4}$ of a point and each subsequent finisher is then awarded the same score as their finish position. For AUSTIN CUP scoring purposes during Open Fleet Racing days, the results of non-member boats will be disregarded.
