

2009 Yacht Club Lecture Series

July 7 The Bagaduce Watershed Association ---Clean Water and the Health of the River

Guest speakers:

Jesse Leach --- Oyster Farming on the Bagaduce

Ed Wardwell -- The Rehabilitation of the Clam Flats

Joe Porada of the "little neck" and "cherry stone" clam farm in Trenton will also serve as "master" oyster shucker for cocktail hour ---- Bring your favorite sauce and tabasco/hot sauce. Lemons and oysters provided.

July 14 CYC members Jonathan Weinstein and Tom Mason will talk about John G. Alden the yacht designer. Weather permitting, they'll bring their respective boats *Afikomen* and *Horizon* to the dock as examples of Alden's work.

July 21 Lobster Bake to benefit the Brooksville, Castine, and Penobscot Conservation Trust .

July 28 Gary Jobson starts out Wooden Boat week with his video and panel of Maine Boat Builders. To be held at MMA auditorium (rather than the Yacht Club)

August 4 Club-wide silent auction at the Golf Club. Additional presentations (TBA) will be on the 11th and 18th.
